Taj Mahal
the new standard of organic luxury

Made in Spain

The new standard
of organic luxury

El nuevo canon
del lujo orgánico

Inspired by the exclusive Brazilian quartzites from Ceará, **Taj Mahal** reinterprets the elegance of natural stone in a ceramic surface of extraordinary luminosity. Its cream and ivory-toned background, criss-crossed by delicate veins in shades of gold, taupe and grey, lends depth, warmth and a refined visual balance.

Versatile and timeless, the collection harmonises with fine woods and warm metals, making it the perfect choice for projects seeking natural and sophisticated elegance.

Manufactured from porcelain stoneware, the **Taj Mahal** collection is available in 120 x 120 cm and 60 x 120 cm sizes, with **MATT** and **SUPERSHINE** finishes that enhance the surface's rich visual texture and broaden its potential for use in both residential and commercial projects.
